59 numbers in new Lotto shake-up

CHANGES to National Lottery rules mean it's even more unlikely it could be you!

The original 49 Lotto numbers are increasing to 59 in sweeping changes to the game taking effect later this year.

The current odds of scooping the six-number jackpot are just under 14million-to-one. With 59 numbers to choose from, the odds leap to over 45million-to-one.

Other changes include a Millionaire Raffle, which will guarantee at least one millionaire per draw.

Matching two numbers, meanwhile, will win you a free Lucky Dip ticket for a future draw.

Camelot say the new system – which starts in October – will create an extra 1.8million winners a week and increase the overall chance of winning a prize from one in 54 to one in nine.

Driver held over lorry migrants

A LORRY driver has been arrested after more than 25 suspected illegal immigrants were found hiding in the back of his vehicle.

The discovery was made after Cambridge Police received a tip-off about a lorry travelling north on the M11 today.

The lorry, believed to have come from France, was stopped on the A1 near the junction with Stamford, and the driver was arrested on suspicion of facilitating immigration.

Paramedics were called and assessed around 25 people at the scene, five of whom were taken to hospital.

CLIFFORD FACES NEW SEX CHARGES

BEAST: Clifford was arrested in March

DISGRACED celebrity publicist Max Clifford could face further charges following last year's convictions for historic sex offences.

The Crown Prosecution Service have revealed they are considering bringing new charges against Clifford after

receiving a file of evidence from police.

Clifford was jailed for eight years last May after being found guilty of eight counts of indecent assault between 1977 and 1984.

He was arrested in March after the latest sex offence

allegations were brought to light.

The former PR guru was the first person to be convicted under Operation Yewtree, the Met Police's investigation into sex offence allegations in the wake of the Jimmy Savile scandal.

Syria 'terror' charges – five in court

TWO men and three women have appeared in court charged with Syria-related terrorism offences.

The five, from Walsall, are accused of a number of offences, including preparing to travel to Syria to engage in terror and helping others to travel.

Alex Nash, 21, his wife Yousma Jan, 20, and Ayman Shaikat, 27, were arrested by West Midlands Police last week. Lorna Moore, 33, and Kerry Thomason (above), 23, were arrested in February.

They all appeared at Westminster Magistrates' Court, and the case was sent to the Old Bailey.

It is alleged that on and before August 10 last year, Thomason helped her husband Isaiiah Siadatan – who is fighting in Syria – to commit acts of terrorism.

A restriction was placed on the reporting of her address after the court heard that Siadatan had sent her death threats, demanding that she not bring her children up in a "kaffir" state.

No U-turn over Morsi execution

AN Egyptian court has confirmed the death sentence of ousted Islamist president Mohammed Morsi over the 2013 mass prison break that brought him to power.

The ruling makes Morsi the first leader in Egypt's modern history to face execution.

The ruling, which will be automatically reviewed by Egypt's highest appeals court, brought no immediate outcry on the streets as thousands remain imprisoned, though the country faces threats from Islamic extremists, including an affiliate of the Islamic State group.

Judge Shaaban al-Shami, who led a panel of three judges, said: "The panel has unanimously agreed that there is no room for leniency or mercy."

6 DIE IN HORROR BALCONY COLLAPSE

DEATH SCENE: The broken balcony at the apartment complex

SIX Irish students have died after a balcony collapsed during a 21st birthday party.

At least another seven were injured, some critically, in the incident on the fourth floor of an apartment complex in Berkeley, California, in the early hours of the morning.

The balcony collapse caused the dead and injured to plunge 40ft to the ground.

Ireland's Foreign Affairs Minister Charlie Flanagan confirmed the tragedy involved Irish students who were in the US state for the summer on J1 working visas.

Mr Flanagan said: "This is an appalling tragedy, an appalling loss of life for young people whose hopes and dreams of the future

were suddenly and without notice been shattered. The killed and injured are believed to be aged between 20 and 22.

Police in the university city are focusing their investigation on how many people were on the balcony when it collapsed.

Trauma

Mr Flanagan said: "There are a number of other students in the apartment who have been injured. They are being treated at a nearby hospital."

The complex was built in 2006. Pictures showed that the balcony appeared to have broken off from the building

and partly landed on the third-floor balcony below as well as in the street.

Relatives of the dead and injured have been in contact with at least three hospitals in and around Berkeley, where emergency trauma centres were set up following the accident.

Berkeley Fire Department

and police and city officials were on the scene, which has been sealed off.

Eyewitness reports said a number of bodies remained outside the apartment. An emergency helpline set up at the Department of Foreign Affairs in Dublin has been inundated with calls in the wake of the tragedy.

COX BACKS 'SEXIST' PROF

SCIENTIST and telly personality Brian Cox has said it was wrong the way a Nobel laureate scientist was "hounded out" of his university posting over controversial comments he made about women working in laboratories.

Prof Cox said the remarks by Sir Tim Hunt had been "very ill-advised" but that the response – which saw him give up positions at University

College London and the Royal Society – had been "disproportionate".

His intervention came after London mayor Boris Johnson said that Sir Tim deserved to be re-instated after the "over-reaction" to his comments.

The scientist, 72, provoked a backlash on social media for saying the "trouble with girls" in laboratories was that "you fall in love with them, they

fall in love with you, and when you criticise them they cry".

He later apologised for the comments.

Prof Cox said: "To have a Nobel Prize winner – and by all accounts a great scientist and a good person – being hounded out of position at UCL after all those years of good work and science, I think that's wrong and disproportionate."

Leave Mark alone, Billie tells Lauren

BUSTY TOWIE babe Billie Faiers has waded into the Mark Wright-Lauren Goodger feud – telling her to leave him alone.

Lauren is accused of disrespecting her ex-boyfriend Mark and his new missus, *Corrie* babe Michelle Keegan, in a series of tweets. He responded by calling Lauren ‘embarrassing’.

Now blonde stunna Billie says: “I think Mark must have felt really pushed to go so public and blast Lauren on Twitter.”

“Enough is enough. Lauren needs to leave it alone now for Mark and Michelle – and for her own sake.”

“It must be so stressful for Mark, especially now he’s married to Michelle, to have to deal with an ex.”

If my fiancé Greg’s ex appeared to be bringing up their relationship all the time, it would drive me mad.

“It’s time for her to move on.”

Goldfinger as Lewis odds on for next Bond

HOMELAND actor Damian Lewis has been hotly tipped to be the next James Bond after bookies reported a flurry of bets on him yesterday.

It’s thought current 007 Daniel Craig will be replaced once upcoming flick *Spectre* hits screens in October this year.

Lewis, 44 (above), is leading the race to knob Miss Moneypenny after the odds on his appointment were slashed from 25/1 to 3/1.

If Lewis does become M16’s top superspy, he’ll be the first GINGER to play the part.

William Hill spokesman Rupert Adams said: “This is an unprecedented gamble. For no apparent reason we have seen bets of up to £200 on Damian Lewis being named as the next Bond.”

And at Betfair, Lewis’s odds have gone from 50/1 to 4/1.

The news comes after *Luther* and *The Wire* star Idris Elba was previously tipped for the part.

Veteran star Hurt facing cancer fight

VETERAN actor Sir John Hurt has been diagnosed with cancer. But the 75-year-old will keep working and says he is "more than optimistic" about his future.

Hurt has enjoyed a successful career, with notable roles including Quentin Crisp in *The Naked Civil Servant*, the title role in *The Elephant Man* and a recurring role in the *Harry Potter* films.

He revealed: "I have recently been diagnosed with early stage pancreatic cancer."

"I am undergoing treatment and am more than optimistic about a satisfactory outcome, as indeed is the medical team."

"I am continuing to focus on my professional commitments."

The British actor has been nominated for two Oscars – for *The Elephant Man* and *Midnight Express*.

He enjoyed a big hit with sci-fi horror flick *Alien* in 1979.

The star was awarded a knighthood for services to drama in 2014.

First crime on isle since 1960s

A TINY Scottish island has been hit by its first crime in decades after thieves raided its only shop.

The community shop in Canna, in the Inner Hebrides, has been run on an "honesty basis" for four years, with customers noting down the items they take in a book and leaving the money in a box.

Run by volunteers, it is left open overnight to allow fishermen who dock at the island's pier to get what they need.

But when staff checked on the store, they found the shelves emptied of sweets, biscuits, coffee, toiletries, batteries and six wool hats.

Canna has a population of about 20 people and the last crime on the island was reportedly the theft of a carved wooden plate from a church in the 1960s.

COWELL SLAPS XXX FACTOR RITA WITH BOOB BAN!

ORDERS:
Cowell

By JOSEPH SCRIMSHIRE
joseph@sundaysport.co.uk

THE X Factor boss Simon Cowell has warned latest signing Rita Ora: "Keep your BOOBS covered up... or else!"

The 55-year-old media mogul announced that Rita – formerly of BBC's *The Voice* – would join Radio 1 presenter Nick Grimshaw, 30, and Cheryl Fernandez-Versini, 31, as the new panel on the ITV show.

Rita and Grimmy will replace ex-Westlife manager Louis Walsh, 62, and former Spice Girl Mel B, 40.

But we can EXCLUSIVELY reveal that Simon is TERRIFIED Rita's bra-bustin' boobs will attract THOUSANDS of complaints!

A source claims that the Syco boss has warned Rita, 24, against wearing low-cut tops on TV in case it "offends viewers or advertisers".

Desperate

The insider said: "Simon has been desperate to sign Rita for months now."

"He's followed her work on *The Voice* and reckons she's far more relevant to younger viewers than Louis or Nicole."

"But there's just one problem... Rita can't keep her MASSIVE BOOBS under control!"

"She's had LOTS of embarrassing nip slips in the past – and her skimpy outfits could be considered 'offensive' by some."

"Simon" has told Rita: "If you want a job, then cover 'em up!" Rita told him he didn't have anything to worry about...

Back in January, the *I Will Never Let You Down* singer attracted controversy when she displayed her CLEAVAGE in a white blazer on BBC's *The One Show*. She was the subject of 33 complaints to TV regulators Ofcom, which claimed her risqué outfit was "inappropriate for a family audience".

Dog breeder 'failed to stop attack'

A BULLDOG breeder who had his arm torn off by his own dogs was unable to stop them attacking another dog walker just weeks after he left hospital, a court has heard.

Stephen Potts, of Low Pittington, Durham, denies multiple charges of owning dangerously out of control dogs after they reportedly set upon a man, 63.

The 48-year-old (above) faces seven charges relating to his pets. Patricia Ayre, 66, from Sedgfield, also denies the same charges after the alleged attack on dog walker Lindsay Edwards and his pet Staffordshire Bull Terrier, Zuma.

Durham Crown Court heard Mr Potts is a breeder of American bulldogs described as "large chunky animals" that weighed between 30-60kg.

Prosecutor Shaun Dryden said it was an unusual case because prior to the incident, Mr Potts "was attacked by two of his own dogs and he was injured".

Case continues.

Brothel's free sex tax dodge

A BROTHEL is offering FREE sex and DRINKS to punters as part of an anti-tax protest.

The owner of the Pascha bordello in the Austrian city of Salzburg has begun laying on complimentary hookers and booze to anyone who visits his establishment as a way of sticking two fingers up to the Government, who he accuses of charging him too much in tax.

Boss Hermann 'Pascha' Müller said: "I've had to turn away hundreds of disappointed customers since the summer special was introduced.

"The problem is, the tax office wants more and more, and they are not cracking down on illegal street and apartment prostitution. They allow me no room for manoeuvre." Profits from the other establishments he owns will be used to cover the losses from the stunt.

BLONDE 'STRIPPED WOMAN NAKED AND RAPED HER IN THREESOME ATTACK'

Court told drinking session led to violent sex trap

ACCUSED:
Konrad
Fimowicz
and (main
pic) Anna
Michalowska

A PRETTY blonde raped another woman by luring her into a sex trap - and ordering her own boyfriend to have sex with her.

Anna Michalowska, 34, is accused of stripping the woman naked after getting her drunk on a night out.

A court heard she helped her boyfriend Konrad Fimowicz, 32, rape her victim - and that she "actively participated" while she watched.

The couple admitted having threesome sex, but claimed it was consensual.

Michalowska said it was all part of the "sexual fun" the three of them had enjoyed that night.

Ripped

Prosecutor Roger Griffiths said Michalowska and the woman, who cannot be named for legal reasons, were drinking vodka together before she fell asleep.

The friend woke to "sex noises" and believed the couple were having sex in the same room.

But she said Michalowska became violent, pushed her down on the bed by her shoulders and ripped off her clothes.

She said: "I was trying to get her off me but she wouldn't get off. I was trying to push her away."

The woman said Fimowicz began trying to force himself on her before having full sex with her.

She told police that she believed Michalowska had been giving instructions to Fimowicz about what

By ROSS THORNTON
news@sundaysport.co.uk

to do. She said: "She was the one who took off my clothes. Why she would do this I don't know."

"I didn't want to do this. I was sort of unconscious. I think Anna was helping him do that to me."

"I was so unconscious and tried, but I couldn't get him off me. I felt I didn't have the strength and power."

The woman told police she felt "drugged" and too weak to fight off the attack in Cardiff, South Wales.

She described how Fimowicz and Michalowska left the room after the first rape and went downstairs.

But they returned later and Michalowska forced her to perform a sex act on Fimowicz.

Cardiff Crown Court was told Fimowicz left the room again but Michalowska remained in the room and began watching pornography.

Struggle

The woman said she then fell asleep and woke around 7am.

She said she did not leave at that point and went back to sleep until around noon.

In her video interview a police officer asked why she did not leave. She said: "I didn't feel like I could walk. I didn't have the strength to walk home. I felt like I needed to go back to sleep. Even walking to the toilet was a struggle."

Michalowska and Fimowicz, both of Cardiff, deny two counts of rape while Michalowska denies a further count of sexual assault.

The trial continues.

BUSTED: Kelly Richards had sex with teen after argument with her hubby

JEHOVAH'S WOMAN IN SEX ROMPS WITH BOY, 15, IS JAILED

A MARRIED mum has been jailed for having sex with a schoolboy in a three-month affair – after meeting him at church.

Jehovah's Witness Kelly Richards, 36, admitted having full sex with the 15-year-old, from the same congregation.

She was originally freed by a court but the case went to the Court of Appeal where judges ruled the punishment for her three-month affair had been "unduly lenient".

Richards was yesterday beginning a two-and-a-half-year jail term for the affair – discovered when the boy's suspicious mother taped their sexual phone chats.

Stiffer

Lord Justice Davis said: "This was a serious case of its kind, not least because of the very troubling elements of sexually-charged conduct of the offender before and after the sexual activity took place."

Richards, of Mountain Ash, South Wales, admitted one count of sexual activity with a child between October and December 2012.

She met the boy after he befriended one of her sons at church and he came to play video games in her house.

Richards had sex with the boy

By COLIN HURST

after an argument with her husband, Paul, but said to him: "Don't tell anyone because I might get done for this."

Their sexual relationship was uncovered after the lad's suspicious mother placed a tape recorder in her son's bedroom to discover why he had begun hiding his mobile phone and spending so much time staying with Richards.

The court was told the boy's housebound mother became suspicious about her son's contact with Richards and took away his mobile phone.

But Richards gave the boy a new SIM card to carry on their chats in phone calls and text messages.

The pair were arrested in February 2013 and the boy told police she'd been "leading him on".

Richards appeared at Merthyr Crown Court where she was given a suspended sentence and a sexual offences prevention order.

Lawyers representing the Attorney General, Jeremy Wright QC, argued the sentence should have been stiffer.

And the case went before London's Criminal Appeal Court where judges decided she should face jail term.

My bionic hand job is great!

A WOMAN has ridden a bike for the first time after being fitted with the world's most life-like BIONIC HAND.

Nicky Ashwell, who was born without a right hand, had previously attached a cosmetic one that didn't move.

But the 29-year-old, from London (above), is getting a whole new grip on life after being fitted with an anatomically accurate prosthetic that took seven years to develop.

Nicky said: "I keep being surprised by the little things, like being able to carry my purse while holding my boyfriend's hand."

"I've can also do things I've never been able to do before, like riding a bike and lifting weights."

The bionic hand, which was fitted at the private London Prosthetics Centre, uses Formula One technology to deliver "unrivalled level of precision and natural movements".

It weighs about the same as a chocolate bar and is built around an accurate skeletal structure designed to provide the most true-to-life movements.

Love rival poison plot man jailed

A MAN who sent his love rival a scratch-and-sniff birthday card laced with the deadly poison ricin has been jailed for 20 years.

Nicholas Helman, 20, pleaded guilty to attempted murder, attempted aggravated assault, risking a catastrophe and other crimes.

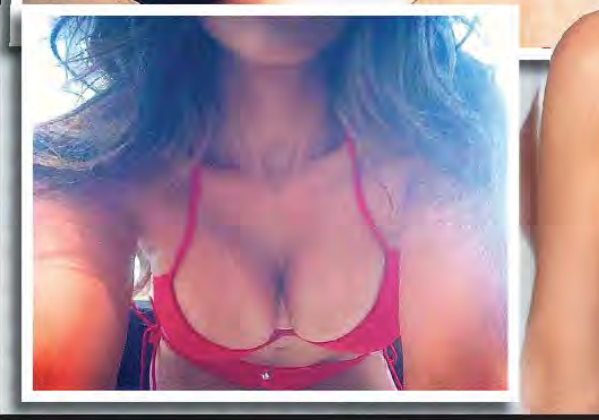

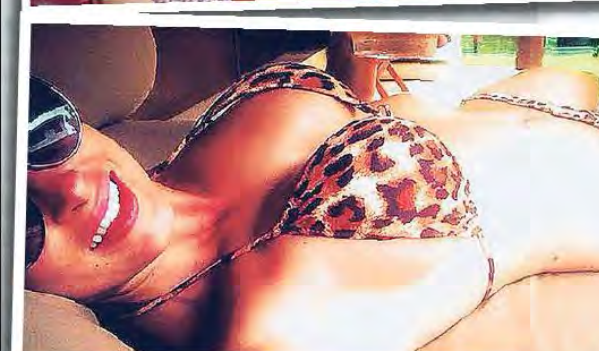

Prosecutors said he laced a card with a lethal dose of the homemade poison in March 2014, then walked eight miles to the home of a man dating his ex-girlfriend and posted it through his mailbox.

Helman bragged about the plot to a co-worker, who alerted police.

Authorities stopped the man from opening it and he wasn't injured.

Judge Rubenstein recommended to Bucks County Court, Philadelphia, that Helman be sent to a facility with a strong mental health program.

SNAPPY DAYS!
Luisa just loves to flash her boobies – as these pics show

Are these the pics Luisa blew her top over?

TELLY beauty Luisa Zissman saw her ARSE after airport staff ogled her bare BOOBS.

But are these the sexy selfies that made her see red?

Brunette Luisa, who shot to fame on *The Apprentice* in 2013, accused over-zealous security staff at London's Stanstead of checking snaps on her phone.

The 28-year-old, who also appeared on *Celebrity Big Brother*, moaned on Twitter: "I'm @STN_Airport & the security woman demands to see the pics on my phone! WTF? She was embarrassed when the selfies came up!"

"After she saw my pics she came up again said, 'Do I know you from somewhere' – then proceeded to shout big brother @ me."

"I would sack one of my staff for this... such an invasion of privacy! How do my pics affect security at the airport? Just becoz she knew who I was does

not give her the right to abuse her power and invade my privacy. It's unacceptable."

While a spokesman for Stanstead accused Luisa of taking photos in a "restricted area", most red-blooded folks would LOVE to rifle through Milton Keynes-born Luisa's mobile!

In 2014 she uploaded a snap to Twitter showing her naked in a bath with a pal, while she

also recently posed for a busty photo with *TOWIE* mate Sam Faiers.

Before she shot to fame on the box, Luisa was a regular visitor at high-class sex parties where she bonked both men and women.

She said of her exploits: "There's nothing wrong with being a woman who enjoys sex or having more than the average number of partners."

"I have a good sex life and I'm having fun with discreet people, but I have to be careful who I'm having sex with."

But Brand famously informed Katy, 30, he wanted a divorce in 2011 after just 14 months of marriage.

And THIS is the red-hot body the big idiot is now missing out on!

STRAIGHT TALKING

FROM UKIP'S DEPUTY LEADER

Four clowns fighting to be Labour leader is NOT funny

WATCHING the wannabe Labour leadership race really is extraordinary.

I can't decide if it's like seeing a pet being put down or attending a really bad school sports day taking place in a land of total make believe.

A place where history didn't happen, ideology is vacant, and where voters and their opinions clearly do not matter a jot.

According to this rag-tag bunch of clowns now wanting to claim Labour's poisoned chalice, everything that Ed Miliband ever said or did was actually RUBBISH.

Oh yeah? So why didn't any of them say so before they got truly trounced at the general election?

One of Ukip's many attributes is that our supporters are REAL people, from REAL places, speaking REAL words, about REAL matters.

We're not Oxbridge hybrids

endlessly spouting whatever we think, or hope, the few people who buy the Guardian want to hear.

It's not rocket science. It's called common sense. Something we as a political party uniquely recommend on a daily basis.

Then you have Labour – a party perhaps not in its death throes just yet, but seemingly determined to do everything in its rapidly diminishing power to get there anyway.

You probably have seen their wannabes. Andy Burnham (left), Yvette Cooper, Liz Kendall, and the other one with the beard who I think we can safely forget about.

Just as with the disastrous Miliband, can you picture any of them negotiating anything with Vladimir Putin?

Can you see any of them reining in Jeb Bush or Hillary Clinton, determined on a reckless foreign intervention?

They are all renouncing Miliband like a bad smell – but

it was only six weeks ago when they were singing his praises and heartily agreeing with his policies.

Now they are saying that backing Ed was all, in fact, a mistake.

The one with the beard even actually blames you, the voters. As if you're a bit too thick to get things right.

And they wonder why people are turning away from Labour to Ukip....

The candidates say their change of heart on policies is a reaction to voters in light of the election results.

Bleating

But if they can't realise the policies they were offering were the wrong ones in the first place, they are in the wrong game.

This far hoping to be the next former leader of the Labour party are either out of touch with the electorate, or they were misleading us when Miliband was their leader. Or they're misleading us now.

And whichever of those

options it is, it's not good, is it? All the wannabes are bleating about their sudden vociferous stance on various issues – from Trident renewal, cuts in corporation tax, scrapping bedroom tax and so on.

This shows part of their problem. They are trying to come in with an election manifesto when there are still five years to go in opposition.

The country has just had an election. Voters made their decision. Setting out your stall as though that decision didn't happen is insulting to the man and woman in the street.

What Labour needs at the moment is someone who will be bloody good as a leader of the opposition, who can argue and fight with David Cameron.

While they try to find someone who could be prime minister in five years' time – and none of the Fallible Four now on offer have even a hope of that – they are ignoring the fact they need someone to be a good opponent immediately.

So yes, it is like watching a land of make believe.

Pope has some front lecturing us on planet

A MAN walks into a bar. He's wearing a dress, reckons people can walk on water, and most amusingly for the barman, is claiming to know someone who can turn water into wine.

"Oh yeah?" says mine host, shoving a jug of council pop across at him.

"Do your magic, then."

Without wishing to be unnecessarily abusive to the religion I was brought up in, Catholicism – unlike other religions it might be considered politically incorrect to mention – is often criticised.

And with good reason, too. It's maddening and mindless objection to things like contraception, divorce and abortion leave most modern people wondering just where it's at.

Its look-the-other-way approach to child abuse by some of the priests within its ranks was nothing short of scandalous, and the Vatican's swollen finances have long

been, well, more than a bit 'whiffy' to say the least.

Now the latest Pope – complete with a Twitter account and, one wonders, a neat pair of Converse trainers – seeks to lecture us about the sky.

Pope Benedict claims "climate change" all comes down to us being very bad people who eat, and drive etc.

THE only reason why bankrupt, indebted, tax-avoiding Greece hasn't been kicked out of the Eurozone yet is because the move would swiftly begin the end of the Euro.

If they scarpere and survived on their own, the likes of Italy, Portugal and Spain would rush to

Look – if you really believe that a virgin gave birth to someone who later came back from the dead after three days, in the meantime curing a cripple and feeding 5,000 with a piece of fish, so be it.

But don't be surprised by my expression of utter disdain when you then want to prattle on about what is, in absolute essence, "the weather".

follow suit – and that would be the end of the whole disastrous project.

And that, in turn, would mean a lot of egg on a lot of political and Eurocrat faces.

Just watch as we throw more cash at Greece and their finance minister Yanis Varoufakis (left).

● Some of the sisterhood are – and let's not skirt around this – stark raving BONKERS.

Take my mate, Teresa. Not so long ago she was discovered lying on her kitchen floor in the middle of the night, cooing sweet nothings to a knackered pigeon.

Her bemused fella, Stuart, wandering down in his dressing gown, wondered if her prostrate self had anything to do with the suspiciously empty bottles of white wine lined up on the kitchen counter.

Well, possibly. But she still spent the next two actual days tending to the bloody thing – feeding it with those well-known rat-of-the-sky delicacies of Special K cereal and, erm, cat food.

Eventually, Stu persuaded her that a vet was needed. And guess – she still thinks it's gone to live on a farm.

A YOUNG blonde has appeared in court accused of giving a man a **BLOW JOB** outside a **McDonald's** restaurant.

Lisa Gray, 28, is alleged to have performed oral sex on Rhys Higgins, 24, at 5am in the fast food drive-thru's car park.

Magistrates heard police were called by staff who spotted the vehicle parked up early in the morning at the McDonald's in Morriston, Swansea.

The court heard the alleged offence was witnessed by a child who was nearby in the car park.

By NEIL GOODWIN

Myers back for new killer chiller

HORROR movie lovers are rejoicing – because there's a new *Halloween* flick in the pipeline.

Mask-wearing, stab-happy baddie Michael Myers hasn't been seen on screen since 2009's *Halloween II*, directed by rock musician and filmmaker Rob Zombie.

But now Myers is ready to kill once more, as he sets to star in the 11th film in the franchise.

It will be directed by Marcus Dunstan, the fellow responsible for cult 2009 frightener *The Collector*.

Studio boss Bob Weinstein said: "We know fans are eager to see Michael Myers return."

"We are excited to be back in business and look forward to bringing one of the scariest instalments of this classic franchise to audiences worldwide."

WET 'n' wild Lindsey Strutt soaks up her whoppin' 34DD boobs for the boys!

The 22-year-old beauty posed fully **NAKED** for a slippery backyard photoshoot.

And she reckons there's nothing better than going **TOPLESS** in the great outdoors!

Lindsey, from Doncaster, South Yorks, said: "There's something very liberating about taking your clothes off in public."

Strip

"At the weekends I sometimes drive up to the Dales for a stroll in the countryside."

"And I never miss the opportunity to have a strip naked while I'm up there!"

"I can't be the only one who likes getting their bits out in the open air, can I?"
Not any more, Lindsey!

Orange gets even

more juicy!

By NEIL GOODWIN
neil@sundaysport.co.uk

SAUCY telly prison drama *Orange Is The New Black* brings a new meaning to the term 'doing bird' – because it's rammed with topless LESBO shagging antics!

The Netflix show exploded back on to screens last week with its brand new third series.

And judging by the opening few episodes – from which these jaw-dropping pics are taken – it looks set to be one of the RUDEST programmes ever to be seen in the UK.

The plot follows the female inmates banged-up in minimum security Litchfield Penitentiary.

If you were a red-blooded bloke somehow trapped in there, let's just say you wouldn't be trying to jimmy open the bars of your cell!

Stunning

Long-term lovers Piper played by blonde actress Taylor Schilling, 30, and Alex, aka Laura Prepon, 35, enjoy some risqué rug-munching action.

Screen beauty Ruby Rose, 29, is a newcomer to the series playing heavily-tattooed Stella, who boasts artwork every bit as eye-catching as her stunning boobs.

Meanwhile, 36-year-old Taryn Manning, 36, plays former meth addict Tiffany, who ended up baring her breasts while enjoying some alone-time with a lucky long-haired bloke.

One fan said: "I'd love to fill their bowls with my warm porridge.."

Keith scared
to take mick
out of celeb
tranny Caitlyn

TV FUNNYMAN Leigh Francis has admitted he's scared to take the piss out of Caitlyn Jenner.

The star of *Celebrity Juice* is worried he would get slammed by the transgender community if he takes the mick out of her in his ITV sketch show.

Caitlyn used to be known as Bruce Jenner, former Olympic gold medal winner and husband of Kris Jenner, of *Keeping Up with the Kardashians* fame.

But this month the 65-year-old ex-athlete revealed he is now a woman.

Speaking as his character Keith Lemon, Leigh said: "ITV say we've got to do something."

"But the producer is scared about what we'll do."

"We've got to handle it carefully."

"We need to be sensitive and make sure it's funny, not offensive."

"But the weird thing with our Kardashian sketches is that it's fellas dressed as women, so we might have to get a lady to play Caitlyn now."

In an interview in April, Caitlyn Jenner came out as a trans woman, saying she had dealt with gender dysphoria since her youth.

Her transition is the subject of an eight-part TV documentary series that will premiere next month.

WHEN you picture your idea of a sexy older women what does she look like?

If you are a young guy in his late teens or early twenties you might conjure up the image of a firm-bodied yummy mummy in her early 30s.

If you are in your 30s your dream older woman might be a bang-tidy woman around 50. If you are in your 40s you might have your head turned by one of your own mum's friends, a proper grey-haired granny.

We're all different with unique tastes and desires so when we invite you to start texting one of our older ladies we know that is just the first step. Text us and tell us what you are looking for (remember to put the trigger word first) or tell us the first part of your postcode if you want a woman from your area.

Once we know what turns you on we'll make sure to hook you up with the woman of your dreams.

After that, you're on your own! You can text about anything...we mean ANYTHING!

Obviously, be polite and respectful until you get the measure of your text partner (just like you would if you were meeting face to face) but most of the guys who text our ladies say it's not long before they are enjoying and explicit text exchange.

We've got 1,000s of woman on our books from all over the UK and from their late 30s to their 70s. We've got roly-poly mamas right down to pensioners with skinny boyish figures and woman from all ethnic and religious backgrounds so we guarantee there will be the perfect woman for you. We've done the hard work so all you have to do is send one text then wait for the XXX messages to flood in!

Fergie's got the hump over her lumps!

BLACK-EYED Peas babe Fergie is fed up of singing about her **KNOCKERS**.

The 40-year-old blonde (above) had a huge hit in 2005 with the song *My Humps*, all about her boobies.

The song featured the lyrics: "My humps, my humps, my lovely lady lumps (check it out)."

But she says she's now **BORED** of singing the song – especially because strangers tend to sing it at her in the street.

She moaned: "The song I got sick of was *My Humps*."

"People would sing it at me when I was out in the street."

"It was a positive song, but at the same time we did so many shows that in the end, that was one I started to get a little bit sick of."

Fact me!

Mushrooms are more closely related to humans than to plants.

Hubby caught porking pooch on camera

A WOMAN who concealed a video camera in order to catch her husband having an affair actually caught him having sex with their **PET DOG**.

She took the footage to police, who arrested 39-year-old Jonathan Edward Medley.

He was charged with misdemeanor animal cruelty and released on bail.

Local police captain Ricky Morgan said: "He was mad at his wife because he said she paid more attention to the dog than him – so he had sex with it."

"His wife actually thought he was having an affair with another woman and hid a recording device."

"She learned he was in fact molesting the dog."

The dog, which suffered injuries but is recovering well in the US state of Alabama, is a male Shih Tzu named Buster.

JORGIE PORTER TOPLESS!

FORM an orderly queue gents – *Hollyoaks* scorchier Jorgie Porter says she's back on the market after splitting from her fella!

But judging by these snaps of her sunning her bare **BOOBS** during a topless beach holiday, the 27-year-old isn't likely to stay single for long.

Jorgie, who has parted ways with co-star James Atherton, said: "I'm happy being single. I'm just having a really good time living my life, going out and seeing my friends."

One admirer added: "I'd love to be Jorgie's boyfriend. Or, failing that, her personal sun lotion applicator..."

Cyrus-ly ...porn babe looks just like Miley!

MILEY CLUB: Porn star (above) and pop star (left)

A **MILEY** Cyrus lookalike **PORN** star has told how she's desperate for the pop star to watch her X-rated grot flicks.

Gorgeous blonde Miley May has made a name for herself on the jizz biz – thanks to her remarkable resemblance to everyone's favourite chart crooner.

And adult performer Miley – real name Caroline Cross, 21 – says the real Miley, 22, should check out her work in flicks like *Volleyball Orgy*, *Don't Forget The Cream* and *Molly's Wrecking Ball*.

By **NEIL GOODWIN**
neil@sundaysport.co.uk

Awsome

She said: "I didn't even know I looked like Miley Cyrus until I got into the porn industry."

"And it was definitely fun to portray her. She's pretty awesome."

"But I have no idea if Miley is a fan of my

porn, although I really hope she is."

"I can imagine Miley enjoying my work, and it's been a lot of fun on my end, too."

Both the showbiz Miley and the bongo Miley both hail from the same part of America – Tennessee.

SHE'S BRITAIN'S ONLY TOPLESS COLUMNIST

● I'VE said it a hundred times, but *Big Brother* is really scraping the bottom of the barrel now.

Earlier this week, three contestants from previous series entered the house to 'shake things up'.

Excuse me while I fall asleep...

The choices were: Nikki Grahame (from *BB* 7), Helen Wood (last year's winner) and Brian Belo (*Big Bro* 8 winner).

Good picks...but it doesn't change the fact Channel 5 are getting DESPERATE.

All this just proves that NOBODY cares about regular *Big Brother*

anyone – most of the viewing public just want to see *Celebrity Big Brother*.

Let's face it, *Big Brother* hasn't been a 'social experiment' for years now!

It's just entertainment.

We want to watch desperate celebrities going WILD!

Remember Vanessa Feltz's meltdown?

Or George Galloway pretending to be a cat?

It was truly brilliant stuff.

My advice? Telly producers need to STOP bringing in random people off the street and stick to *Celebrity Big Brother* instead.

Stripping backpacker should make a mountain of cash!

JAILED: Brit girl Eleanor Hawkins

I FEEL for the girl who was arrested in Malaysia for stripping NAKED on a so-called sacred mountain.

Let's face it: we've all done daft stuff on holiday, but most of us don't make front page news!

Hopefully Eleanor Hawkins will see this as an opportunity to make a bit of money selling her story to the press.

Perhaps she could do a TOPLESS photoshoot! I wouldn't be surprised if somebody has already asked her...

All this reminds me of

a publicity stunt I did years ago for a magazine.

I was arrested for STREAKING at Lord's Cricket Ground in London during an England vs West Indies match in 1995.

I stripped down to my knickers and ran across the pitch – all the lads cheered but I was nabbed by security staff.

Fortunately I was released from jail the next day. It was all quite naughty really!

Hopefully, Eleanor will play her cards right and make something good out of this.

She could even write a tell-all book.

Let's wait and see!

IT'S been a bad couple of weeks for poor old Nicole Scherzinger.

First her ex-boyfriend F1 driver Lewis Hamilton hooks up with US reality star Kendall Jenner.

Then it was claimed that Cheryl Fernandez-Versini had blocked her potential return as a judge on *The X Factor*.

And now she's been DROPPED from her record label!

F*cking hell, that's a lot of bad luck!

But I can't say I'm surprised.

She does nothing for me – her voice is a bit boring and she should just stick to doing those yoghurt adverts.

● THIS week I've been following the story of Rebecca Minnock, who ran away with her three-year-old son, Ethan, after her ex-partner was given full custody.

Rebecca, from Bristol, looked after Ethan for two years, but a family court recently decided he should live with his father, Roger Williams.

Thinking she'd "never see her son again", Rebecca then disappeared with Ethan for 17 days before handing herself in on Monday.

Roger will get to decide if she faces legal action and in my opinion she deserves to be punished.

Her behaviour has been selfish and erratic.

I'm sure more details will emerge soon.

Let's face it – in custody battles, women usually win.

So why was Ethan's dad originally granted full custody?

We shall see, I've no doubt...

● I ONLY arrived back in Britain a couple of days ago – and I'm already back in the studio!

I'm fresh back off my holidays in Spain and it's back to business as usual.

But I was delighted to be working with an old friend of mine, Derek, this week.

He's a lovely guy from New Zealand who flies over to London every year to take photographs of glamour models' FEET!

He's a foot fetish enthusiast and I've known him for 15 years.

He says I've got lovely feet because they're wrinkly but with soft soles!

I did the shoot with my pal Kitty Lea, who also models for *Midweek Sport*.

We all had a right laugh together – and even took a selfie!

I enjoyed talking to Derek about his fetish. It's amazing how much it has grown in popularity over the years.

The whole day was really fun and Kitty is a lovely, sweet girl.

The guys on set said I didn't look much older than her – but I'm actually old enough to be her mum!

Nice saddle!

YOU'D never TYRE of cyclists if they all looked like THIS! British motorists often find themselves cursing as they get stuck behind slow pedal-pushers. But you'd have reason to linger behind these females as they took part in a World Naked Bike Ride event in Manchester. A spokeswoman said the stunt was designed to highlight just how vulnerable bikers can be. She said: "We ride naked to celebrate cycling – and the human body. "It demonstrates the vulnerability of cyclists on the road and is a protest against oil dependency."

Couples who climax at same time is most UNREAL movie sex moment

COUPLES who always climax at the same time has been named the most UNREALISTIC part of movie sex scenes.

On-screen bonks still bear little resemblance to real life, according to top entertainment website flare.com. They polled readers to find out exactly what Hollywood gets wrong with it comes to shagging. The No.1 pet hate among viewers was seeing fictional characters having an orgasm at the exact same moment. Other "movie lies about sex" include a lack of foreplay, no attention paid to the clitoris, and that underwater sex is awesome. A spokesman said:

By NEIL GOODWIN
neil@sundaysport.co.uk

"The movies have peddled us many lies over the years—that poor artists can afford cavernous New York lofts, that airport security will let you charge through for that tearful embrace. But the most egregious offender in cinema is the sex scene. "Movies will tell you that you'll both DEFINITELY come at the same times. Erm, you won't! "And when it comes to sex underwater – well, we admit that it looks hot. What's less hot is having mega-irritated or infected lady-parts from shoving chlorine or dirty water up your ho-ho."

TOP 10 SEX LIES

1. You definitely come at the same time.
2. She'll come almost as soon as he slips it in.
3. The clitoris doesn't matter, or even exist.
4. You don't need lube.
5. Threesomes are a breeze.
6. Sex standing up is easy.
7. Everyone looks and smells amazing all the time.
8. Underwater sex is awesome.
9. You don't need foreplay.
10. Condoms aren't necessary.

CHRISTINA JOLIE

By NEIL GOODWIN
neil@sundaysport.co.uk

SULTRY minx Christina Jolie reckons she's got the 'perfect body' for 'erotic modelling'.

One look at these snaps of the top-heavy 34D beauty and it's hard to disagree with her!

The 29-year-old, originally from Czech Republic but now living in Egham, Surrey, purred: "When I was younger I was a fashion model, occasionally doing some lingerie shoots."

Insatiable

"But then all of a sudden, my boobs grew really, really big. I knew I had to try erotic modelling, my body is just perfect for it!"

The former hairdresser, now a top porn star, says she's also got an insatiable love for NOOKIE.

She added: "I like men and I like a lot of sex. I have a very high libido."

"I like to try new things in the bedroom, and porn gives you the perfect excuse to act out your fantasies."

Wahey-ward Pines!

JULIETTE LEWIS

MELISSA LEO

THE old saying goes, 'Once you've been to Wayward Pines, you can NEVER leave...'

But don't worry, you'll want to stick around after enjoying these incredible TOPLESS stunnas!

Spooky drama *Wayward Pines*, directed by M. Knight Shyamalan, returns to FOX this week.

The programme follows U.S. Secret Service officer Ethan Burke (Matt Dillon) as he investigates the disappearance of two federal agents in a small town.

But things aren't what they seem in *Wayward Pines*, Idaho.

Ethan mysteriously wakes up in a hospital – and

By **WENDY THOMAS**
news@sundaysport.co.uk

becomes a missing person himself...

And *Midweek Sport* can EXCLUSIVELY reveal that not one, not two, but THREE of its female stars have gone fully BOOBS-OUT on camera!

Creepy

Juliette Lewis, 41, from Los Angeles, plays local bartender Beverley Brown – whoshares Ethan's suspicions about the creepy town.

And she whipped 'em out in 1995 sci-fi action flick *Strange Days*, in the role of grunge singer Faith Justin.

Shannyn Sossamon, 36, from Hawaii, stars as Theresa Burke – Ethan's wife and former Secret Service agent who looks for her husband after he's reported missing.

And fans will remember her brabustin' NUDE scene in 2009 street drama *Life Is Hot In Cracktown*.

Finally, Melissa Leo plays Pam – a cheerful nurse at the hospital who hides a dark secret. She flashed her perky boobs in *The Three Burials of Melquiades Estrada*, a 2005 neo-western directed by Tommy Lee Jones.

Wayward Pines airs Tuesday nights at 10pm on Fox.

SHANNYN SOSSAMON

Miley: Mum finds my bi life 'hard'!

OUTRAGEOUS pop babe Miley Cyrus says her mum found it tough getting to grips with her daughter being into WOMEN.

The *Wrecking Ball* singer came out as bisexual when she was just 14 – and her mother Tish feared she would face eternal damnation.

Miley, 22, said: "I am literally open to every single thing that is consenting and doesn't involve an animal and everyone is of age."

"Everything that's legal, I'm down with. "Yo, I'm down with any adult – anyone over the age of 18 who is down to love me."

"I don't relate to being boy or girl, and I don't have to have my partner relate to boy or girl."

"I remember telling her I admire women in a different way. And she asked me what that meant. I said, 'I love them. I love them like I love boys'."

"And it was so hard for her to understand. She didn't want me to be judged and she didn't want me to go to hell."

"I asked for her to accept me, and she has."

CHARLOTTE SPENCER

● YOU'LL be ROCK hard when you clap eyes on these perky NORKS!

British actress Charlotte Spencer plays Ellie Marston – sister of the dead man at the centre of the intrigue – in two-part mystery drama *Stonemouth*, which concludes Thursday night at 9pm on BBC Two.

And we can EXCLUSIVELY reveal she went TOPLESS in E4's teen whodunit *Glue* last year!

Charlotte played rebel girl-next-door Tina Fallon – and stripped NAKED for a steamy bonk scene.

So today, we lift the lid on the world's most harrowing SHARK attacks!

**SCOTT STEPHENS:
HUMBOLDT
BAY, CALIFORNIA**

IN October 2012, surfer Scott Stephens was enjoying an early morning ride on the waves off Humboldt Bay, California, when he was struck from behind, mid-paddle, by a great white.

The monster sunk its teeth into Scott's back, dragging him under the water in a frantic fight for his life.

Fist

He recalled: "I opened my eyes under water to see my first shark in 13 years of surfing.

"The face was black and streamlined, nose jutting forward over an almost grinning mouth of teeth.

"Four feet from the tip of the nose to the beginning of the dorsal, its right eye

as large as a baseball. My right fist made contact with the shark just behind this eye.

"It felt like punching a bag of concrete. I was released and the shark was gone into the depths.

"It wasn't until I saw my board floating nearby, leashed bitten through and a 14-inch diameter half-circle missing out of it that I put thought to my injuries.

"As I got back on my board and started paddling to shore, I noticed the red. Blood mixing with water, creating a crimson pool around me, a hole in my wetsuit and my torso that I knew was serious."

Scott was stitched up at nearby St Joseph's Hospital – and has since returned to surfing!

SAVAGED: The 14-year-old girl is left in a bloody heap

**LLOYD SKINNER:
CAPE TOWN,
SOUTH AFRICA**

THINK you're safe from a shark attack while simply standing up in shallow surf? Think again.

In 2010, Zimbabwean tourist Lloyd Skinner, 37, was taking a stroll through the waves off one of Cape Town's most popular beaches when he was swept off his feet by a white shark that pummelled him while travelling at 25mph.

The waters instantly turned bright red as Skinner fought frantically to free himself from the beast's gargantuan jaws. It was to no avail.

The shark let go, but then returned for a second time, hitting Skinner so hard he was tossed into the air before being "consumed whole", according to one shell-shocked

eye-witness. Another reported: "It was this giant shadow heading towards something colourful."

"Then it came out the water, took this colourful lump and went off with it."

"You could see its whole jaw wrap around the thing which turned out to be a person."

Blood

"The shark came back twice. It had the man's body in its mouth. His arm was in the air. Then the sea was full of blood."

Skinner's body has never been recovered.

Locals blamed the attack on the increased popularity of shark-baiting in the area, as tourists pay to be lowered into the water surrounded by a giant metal cage.

Going down, fellas? We've got it licked!

By NEIL GOODWIN neil@sundaysport.co.uk

DO you get tongue-tied going down on the missus?

Well worry no more, because a top sex author has just unleashed a new foolproof guide to CLUNGE LICKING!

Expert Ian Kerner shot to fame in 2005 with his book *She Comes First: The Thinking Man's Guide To Pleasuring A Woman*.

Now he's followed it up with a cheat sheet on how to become a "cunnilingus master".

The New Yorker, 49, bravely admits that he struggled with premature ejaculation and wanted to find other ways of pleasing his partners.

And that led him on a road to becoming a ninja warrior with his gob skills.

Most important, says Kerner, is to make your lady friend relaxed. He adds: "Even then, women take 20 minutes on average to reach orgasm, so it's important that you settle in for the journey."

"Make sure that your body is well supported and that you're

Katerina Hartlova
Age 24, 36f-24-34 from Peterborough

stretched out and recumbent. You want your gums and tongue more at a 45 degree angle than 90 degrees, which is more comfortable.

"Let her do some of the work by pressing her body into your gum line."

"Her legs should be close enough together that you can lean to the right or left and rest your head comfortably against her leg while never missing a lick."

"Whatever you do, just make sure you're prepared to take your time."

And while it's easy to get wrong, Kerner reckons he's come up with the PERFECT method.

He explains: "Spread her labia and focus on licking the area of the front commissure, just above the clitoris."

"Use the index finger of your free hand to occasionally intersperse horizontal finger strokes across the glans with vertical tongue strokes."

Squeeze

"As her arousal is increasing, you can insert a single finger, or possibly two. Use your tongue at first to enhance arousal and then a finger to complement and push arousal to the next stage."

"With your free hand, you can touch her breasts, gently squeeze her nipples, caress her stomach or place under a butt cheek for support."

"And consistency is key for most women, so once you've found something that works, stick to it and do not stray from the path! If you do, you may have a very frustrated woman on your hands."

Our drool-inducing model Katerina Hartlova, 24, reckons all men should follow this advice.

She said: "Some of the guys who've gone down on me have been hysterical – it felt like a cobra defending itself from a mongoose! Just awful."

Friday 13th star's photo stalker hell

HORROR movie scream queen Adrienne King has lifted the lid on her celebrity stalker hell. She famously played camp counsellor Alice Hardy in the original *Friday 13th* flick, back in 1980.

But the actress, 54, says her appearance unleashed a psycho fan who followed her across the globe.

She said: "For a year and a half, we didn't know who the stalker was. You have to remember there were no video cameras, no security cameras around, no cell phones."

"I would get very bizarre things. I would get Polaroids under my door of what I had been doing the day before or the night before in a Chinese or Italian menu."

"I lived in Marina Del Ray at my sister's house when this happened to me and I was literally calling the cops from inside my sister's closet."

She's also issued a warning to modern-day Hollywood stars saying they too should be fearful.

King added: "Stalkers can be brilliant, they can have a lot of money, and they can have a lot of contacts politically. Stalkers are not necessarily homeless bums who are penniless."

"Think about that if you have someone who wants to take you down."

MY SEX FANTASY...WITH ADELE TAYLOR

By TOM RHODES
news@sundaysport.co.uk

SAUCY Adele Taylor has blown the lid off her kinky THREESOME fantasy!

The 27-year-old model confessed that she's DESPERATE to get frisky with a horny couple.

And the Middlesex beauty even reckons she'd perform a LESBIAN sex show for the lucky fella!

In an EXCLUSIVE interview, Adele revealed: "I had a threesome once, and I really enjoyed it!"

"It was something I did a while ago and I'd definitely like to do it again."

"They're just so hot and naughty. I think I'd want to do it with a guy and a girl, so that we could both pleasure the bloke together – and then he could take turns with us!"

"We would put on a bit of a show for him too. Girls are great lovers – they're so soft and sexy."

Thrusts

"In fact, it makes me go weak at the knees just thinking about it!"

"I'd like the sex to be really slow and sensual. I'm not really into the 'wham, bam, thank you ma'am' thing. I prefer taking my time."

"Fast can feel great, but sometimes I find that it never feels quite as satisfying as slow, deep thrusts."

"And slow sex is better because you can kiss loads and feel really intimate – and it lasts for longer!"

"I've been known to be late for things in the morning because I've been enjoying a long romp."

"There have been days where I've stayed in bed with a guy just kissing and having

sex – only stopping to get some food or have a rest."

"They're the best kind of lazy days!"

Adele – who displays her whoppin' 32D boobs in a BRAND NEW photoshoot for *Midweek Sport* – also revealed her slippery BLOWJOB secret!

She continued: "I just LOVE oral sex – and I'm very good at it! I have big, soft lips,

and I use a top-secret technique that never fails to make a guy climax."

"I'm not going to tell you what it is, of course – but blokes go wild for it!"

"I like it when a guy goes down on me, but I definitely prefer to give than receive. It's my little pleasure."

One example of giving such pleasure is revealed in another startling confession.

Adele boasted: "I actually once gave a guy a blowjob while he was driving!"
 "It was amazing – I was feeling so horny that I just unzipped his jeans and pulled out his cock."
 "I started licking and sucking it – and he was squirming in his seat."
 "We ended up doing it in the back seat down a country lane!"

JUST ONE TEXT MESSAGE GETS YOU TEXT SEX EVERY TIME!

LIKE IT LOCAL?

On your first message add the start of your postcode and we'll filter our listings to deliver ladies closest to you e.g. If you want to contact grannies in Leeds text AGED (space) LS to 89248. How easy is that?!

GET IT FROM A GRANNY!

WHEN they think of a granny many blokes will picture a lovely old dear sitting knitting in front of Emmerdale, smelling a bit funny.

But plenty more imagine a proper woman, experienced in the ways of the world who likes nothing more than to enjoy the attentions of horny younger men who want to explore every wrinkle and line of her body and then f... her like she's a teenager!

Well, that's the sort of women we'll put you in touch with here. Just send one message and we'll get you texting with an older hottie. If you let us know the start of your postcode we will also find you one from your area.

Hardness

One we hook you up you're on your own. But be warned...these ladies know what they want and are not afraid to discuss it by text, using what is, for some, shocking language.

They will tell you what they want you to do to them to turn back the clock. They will tell you how they want your lovely hardness inside them and how they want your creamy, fresh cream all over their wrinkled bodies. How can you refuse an invitation like that, fellas?

Rock band pal took my girl for gig ride

Dear Morgan,

I'M the lead guitarist in a rock band and I've got a huge problem with our singer.

I know all about groupies and such like, as we get a fair few of them hanging around after gigs.

Girls of all ages wait at the back of the venues just begging for a chance to get on our tour bus and get some action.

I'm in a relationship, so I never bother with them, but it never ceases to amaze me how easy it would be to get a bonk after every single show we do.

Our singer takes advantage of the situation, getting off with a different one every gig.

This is absolutely fine with me,

but at one show he told me he'd just boned a groupie BEFORE the gig because he liked her stripy tights.

He then described in detail how it happened – and it was quite a story.

Apparently, she cornered him in the gents, led him into a cubicle, sat him on the loo and sucked his knob until his balls ached.

Bucking

Then, he said, she unleashed his monster of rock, turned around, pulled her tights down and lowered her wet pussy on to him.

And all the time she was riding him like a bucking bronco, he just sat back and smoked a cigarette.

But the girl wasn't done. She pulled him out of the cubicle and ordered him to take her from

behind as she was bent over the toilet sink.

Everyone in the band was laughing about it – and I have to say, the way he told us how he'd been pointing in the mirror at himself while she was bent over the sink had me in stitches.

Well, it did until I saw my girlfriend walk backstage – wearing black and white stripy tights!

She got a great big cheer from the rest of the band and now I'm a laughing stock.

I love the girl, but I don't know if I can ever trust her again.

Should I forgive her?

PM, Lancs

Morgan says...

NO, I don't think you can trust her. She's done it once and she'll do it again.

Walk turned into w**k

Dear Morgan,

I EXERCISE dogs for people who have loads of cash but whose work gives them precious little time to care for their mutts.

Last week I was on the common, where I take the pets for their daily walk, when something really unusual happened.

I had just crested a hill when I came across a bloke wanking off. I was shocked, but at the same time strangely excited.

He stopped and was about to stick his dick away when a sudden urge took hold of me.

I tethered the dogs, went over to him, took his cock in my hand and finished him off.

When it was over I suddenly felt very embarrassed, so I collected up the dogs and walked off.

But I'd like to handle his very impressive hard-on again. Suggestions please.

LF, London

Morgan says...

YOU'RE sure to come across him again.

Dear Morgan,

EVER since I can remember, the thought of rubber against my skin has me tingling in the nether regions.

It began when I was a kid, when I found a swimming cap.

I loved the feel of it, and now I have a big collection of them and I rub myself off on them all the time.

But now my obsession with rubber has landed me in trouble.

I told a girlfriend, who freaked out and whipped me in the face with a floral number I was trying to get her to wear when I shagged her.

Now I'm all confused Am I a twisted pervert or what?

DF, Humberside

Morgan says...

NO, but try a fetish website for friends.

Dear Morgan,

I LOVE having things shoved up my arse, but recently my wife's been pushing the boundaries further than usual.

We have an active sex life and nothing is taboo, but her idea of fun is sometimes a tad painful.

Take the other night. There I was, ready for a good rimming, when she suddenly ran to the freezer.

I must admit I was intrigued, but I wasn't ready for what happened next.

She returned with a frozen banana and rammed it right up my ring-piece.

Well, I nearly screamed the house down – not because she had shoved something up my ricker, but because the thing had stuck to my tender regions and I was getting ice burns.

Do you have any advice for soothing my bum?

TG, North Yorks

Morgan says...

YOU need to be careful using stuff like ice because it can tear the skin. I recommend trying a proper lubricant for your bum.

Dear Morgan,

THE mechanic at my local garage is a dark, muscular hunk.

I couldn't help but notice him the other afternoon as he was bent under a bonnet fixing a car engine.

He had his shirt off and it got me thinking. I'm no mechanical genius, but I thought that if I pulled a few wires out under the bonnet of my car I'd stop the motor.

It worked and I rang for help, claiming the car had been sabotaged. He rolled up and trailered it away.

When I went in to the garage the next day, he handed me a bill for a £100.

The good news is that I asked him to take me out for a test drive and we had a great shag in a lay-by.

Then the bombshell. I was thinking this could be the start of something special, but he said he had a girlfriend.

I feel a right berk.

ID, Dorset

Morgan says...

IT'S a costly mistake. But don't complain, at least you had a great shag.

SHOW ME THE HONEY!

WELCOME to your interactive Midweek Sport - where YOU get to choose the stunnas who appear on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see - TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service - UNIQUE to British newspapers - is totally FREE!

All you have to do is email us at request@sundaysport.co.uk telling us why you want to see your favourite girl in the paper - then sit back and let us do the rest!

BILLIE RAI

ESTATE agent Kevin Allen, from Gateshead, reckons that Billie Rai deserves a spot in this week's *Show Me The Honey*.

The 39-year-old says that porn star Billie, from Wimbledon, is "the most beautiful redhead in the business".

And Kevin just can't get enough of the 23-year-old nympho's DIRTY grumble flicks!

He told us: "I've been a fan of Billie's glamour work for years. She's got a pretty face and jaw-dropping 34E curves."

"But when I discovered she'd done **HARDCORE** films, I was absolutely delighted! It was like my prayers had finally been answered."

"She's hands-down the **FILTHIEST** girl in British porn - and she's done a cracking scene where she gets f*cked in a public toilet."

"I would definitely recommend it!"

NATASHA ANASTASIA

SURREY stunna Natasha Anastasia, 27, is the "ultimate fantasy" of Berkshire builder Barry Fishwick.

The 23-year-old *Midweek Sport* reader admits he's "obsessed" with Natasha's all-natural 30D norks.

He told us: "There's nothing fake about her - she's a great looking girl with lovely boobs and a cracking figure."

"I would love to meet her in the flesh and see if she's as gorgeous in real life!"

"She's probably my ultimate sexual fantasy - especially if she's wearing one of her kinky outfits!"

NATALIE CAMM

NAUGHTY Natalie Camm is the choice of betting shop worker Paul Martin.

The 43-year-old, from Bournemouth, enjoyed her topless photoshoot earlier this year.

But he's "gutted" that Natalie, 22, from Kilburn, hasn't been in the paper since.

Paul wrote: "I really like girls with **NIPPLE** piercings. I think they're proper sexy - and you can tell the girls are naughty!"

"I've been looking forward to seeing more photos of her whoppin' 30F boobs, but I've been left disappointed."

"So would you mind printing a cheeky photo for me? It's been ages - and there's plenty of Natalie's fans out here!"

This one's for you, Paul!

GIVE UP HAND JOBS FOR BETTER BONKING

BRITS should give up MASTURBATING for three weeks at a time, says one controversial boffin.

Many doctors reckon regularly bashing the bishop or flicking the bean can be good for the human body, sending feel-good endorphins coursing through our blood veins and reducing our resting heart rate.

But one expert reckons that it can be equally good to knock playing with yourself on the head – at least for a few weeks anyway.

Professor of neuroscience at Montreal's Concordia University, Jim Pfaus is a respected researcher when it comes to solo love sessions.

And he says forgoing your own

By NEIL GOODWIN

touch in the short term can give you more 'energy' in the long run.

He says: "By not having sex or masturbating, it can increase your arousal in anticipation of actually having sex."

"This is the 'energy' that the purveyors of tantric sex talk about.

Obsessive

"Learning how to maintain erection and hold off ejaculation makes the orgasm experience more intensely pleasurable."

"It's psychological and belief-driven more than anything else."

Chronic masturbators can also

end up a SLAVE to their cock, according to Pfaus.

He adds: "Some men experience extreme guilt over masturbation."

"Others attempt to achieve orgasm several times a day in an obsessive manner."

"Some men are afflicted by both. The obsessive and compulsive nature of this makes them masturbate frequently – perhaps too frequently, because they end up in a chronic state of refractoriness over their penis and ejaculatory mechanisms."

Pfaus argues that if men abstain from wanking for 48 hours, they can often experience 'harder' stiffies when they resume jerking off.

But could our girls go three weeks without SEX or MASTURBATION?

Amanda Thatcham says...

THREE weeks without an orgasm!? No thanks!
I'd be so horny I'd end up trying to hump the bus driver on the way to work!
I'm very easily turned-on, and I have quite a high libido, so I imagine I'd become some sort of sex maniac if I had to do without it for any lengthy period of time.
I'd probably end up celebrating the end of an enforced ban by going to a full-on orgy.

Polly Anderson says...

THERE'S not a chance I could go three weeks without playing with myself – I can barely go three days.
And I don't agree with the whole abstinence thing at all.

Why deprive yourself of a healthy, natural pleasure?
I definitely feel less stressed after I've had an orgasm.
And my skin looks and feels a lot clearer, too.

Joanna Taylor says...

I ONCE went travelling around Europe with my best friend for three weeks and I was sharing a bunk-bed with her pretty much every night.

I was really horny, but I was nervous to play with myself in case my pal heard what was

going on, or felt the bed vibrating!

After two weeks I was ready to burst, so I ended up upgrading to a nice hotel room all to myself just so that I could enjoy a little 'me time'.

I watched some rude movies on the hotel TV and had the best night ever.

GINA

By WENDY THOMAS
news@sundaysport.co.uk

GORGEOUS glamour girl Gina can't wait to reveal her ultimate fantasy...

She would love to have wild sex in a RAINFOREST!

The stunning 25-year-old model, from north London, reckons that the tropical weather makes shagging even BETTER.

Gina, who boasts perky 32D boobs, revealed: "I would really love to fly somewhere exotic with a strapping hunk – and then strip off in the hot rain together."

Steaming

"I honestly don't think it could get any better than that."

"Of course, the man would be paying me lots and lots of attention – playing with my nipples as the steaming water drips off them."

"Then we would do it up against a tree in the rainforest, right next to a waterfall."

"That's my idea of sexual heaven!"

Lump on England at 8/13

IT'S A feast of footballing action tonight with the women's World Cup now kicking on apace.

Australia women versus Sweden women in Group D is on. I know it's sexist but there's a fair chance some of the Swedes will be easy on the eye — and Aussie sheilas are usually on the tasty side too. At least in Neighbours.

But it's an unfriendly kick-off time (we ought to be asleep) so we will leave that alone.

Yet at 9pm England lasses play the Colombians.

The sexist nonsense aside, our girls make a good bet. Only one defeat in the last five and they didn't deserve that.

A 1-0 reverse to the French in this tourney and they could not get near the onion bag for the smell of, erm, onions. And garlic.

That result aside England were impressive brushing aside Mexico.

Okay it was only 2-1 and the South Americans took a mid-

LIONESSES TOO STRONG FOR COLOMBIA

afternoon snooze, as is their wont. But our lasses got the job done and could have won much easier.

Their other three wins saw them put 10 past Montenegro women (and to be frank, even an ugly f***er like me could put 10 past Montenegro women).

England beat the Welsh 4-0, probably not too impressive as the Welsh side were distracted keeping their husbands off the sheep.

But the result that marks out England Ladies as a force to be reckoned with is the 2-1 win over Ukraine Ladies last June. In the same comp.

Now, fate has forced me to

know half a dozen Ukrainian ladies.

My next-door neighbour has a friend married to one. She is so big Benny Hill would have got an hour and a half's comedy out of her.

Amongst her mates, whom I have met, she's the pretty one.

So to get back to the point England Ladies were splendid beating those that have been put in front of them so far. Ukraine especially.

Women one and all, them fellas are.

The odds are not kind.

We hate tipping 8/13 shots which is what England are.

The draw is 13/5 and Colombia are 9/2

But joking cast aside the la-

dies game is in its infancy. Honestly. England were among the early starters.

The club game which used to be a figure of fun among fellow sexist is actually okay to watch now whilst in Colombia the game is light years off the pace.

Eight to thirteen? We clearly are not talking treasure trove here but, come on?

If this is not a gift from the Gods, I haven't got the foggiest idea what is.

Put your prejudice aside, forget your sexism.

Only one thing matters. Collecting coin.

And be fair, our birds are better than theirs. For 'tis a fact.

BET: England to beat Colombia in the women's World Cup at the give-away price of 8/13.

STICK YOUR SPARE CASH ON SPENCER'S STAR

JAMIE Spencer could have picked up the spare ride of the decade aboard THE GREY GATSBY in the 10-runner Prince Of Wales's Stakes today at Royal Ascot (4.20).

Usual pilot Ryan Moore is doing the steering atop Cannock Chase for his good friend and supporter Sir Michael Stoute.

But Spencer must be pinching himself. He has nicked a ride on a top-class animal which has won in the highest grade. Twice.

It isn't an unusual coupling. Spencer finished second in last year's Craven Stakes aboard The Grey Gatsby before delivering him into 10th in the 2,000 Guineas.

Four firms are a perfectly reasonable 5/1 about his chances. William Hill are 7/1. Do us a favour and snatch their arms off.

On the same card the Royal Hunt Cup

GREY GREAT:
Spencer

(5.00) has long been a favourite. Okay there are too many runners but when you get 10/1 the field about the fave, you can back four or five easily but the one that appeals most lies further down the market.

Don't be shy about DON'T BE. That fox-hunting, bull-fighting, badger-beating, bear-baiting (probably, but I did make the last two up) toff Sir Mark Prescott, bart, never my favourite Simpson, trains and credit where it is due he does knows how to do his job.

Luke Morris, no rider in finer form at the mo, does the steering. You can get 25/1 across the board. Bloody steal. Get on.

BETS: 1pt win The Grey Gatsby (4.20 Royal Ascot), 1pt win Don't Be (5.00); 1pt each-way double

Bumper pay day awaits

THE pick of the midweek action comes from Hove at Brighton on the south coast on Thursday. It's remarkable the quality of the card with the Derby due to hit the semi-final stage on Saturday and the great supporting action that comes with it.

I have found four cracking bets for us and I suggest we stick them in a Yankee and go for a bumper pay day courtesy of the bookmakers.

Up first is Ballybree Brewery in the sprint contest. He was sublime last week and there is every chance this talented sprinter can go to the top echelons of the UK sprint scene.

He is blessed with brute pace and looks a potential star in the making.

Then we have Loughteen Pedro in the 475m contest he is somewhat a course specialist and drawn in red he looks set to take the world of beating.

We move on to the Ladies competition and in the heats I really like Aero Baboshka. She is a very talented bitch and is the one they've all to beat. Trapping is her forte and I envisage she will turn in front and I just don't see how they will catch her.

If we are still going to the last leg (we will be) don't sweat it because Jolly Redeye is a win machine and even in this kind of company he is a greyhound you can put your faith in to get the job done.

ASCOT WEDNESDAY TIPS

IT's a fiercely competitive card at Royal Ascot today, much as you might expect.

Ivawood will be a popular choice for the opening Group 3 Jersey Stakes for the mightily powerful Richard Hannon and Richard Hughes team.

But under the conditions the tops weight has to give between 21b and 8lb away to all of his rivals and the dangers lurking out there come thick and fast.

So many are unexposed. Hathal for William Haggas and Frankie Dettori has only raced twice starting off with a decent second in a Newmarket maiden last September and Haggas clearly realised he had something on his hands because he was sent off 2-7 for a cosy win at Lingfield earlier this month.

But in a hot heat SIR ISAAC NEWTON for Aidan O'Brien and Ryan Moore is our pick.

Thrice-raced he has two seconds and a win to his credit.

The first of his runners-up slot was at Leopardstown, beaten by Zarwaq who was well-fancied for the Derby when a late withdrawal.

The next run was highly disappointing, beaten at 1/6 in a Chester maiden.

But Aidan had clearly put right whatever was wrong when he hosed up in a Gowran Park maiden last month.

The Queen Mary Stakes (3.05) is too tough to call. Eight of the 23-strong field are unbeaten.

So many of the two-year-old fillies are open to no end of improvement and it is virtually impossible to know which one will come on the most.

Record

A tentative choice is for BRUISED ORANGE from America's Wesley Ward under Frankie Dettori.

Only because it is hard to question Ward's record with his runners over here.

He only beat two rivals home in a Keeneland maiden on dirt and Lord knows what that form is worth but this is a pin stickers' job.

The next two are a little easier to sort the Duke Of Cambridge Stakes (3.40) and the Prince Of Wales's Stakes (4.20).

In the Cambridge, it's best left to Sir Michael Stoute and INTEGRAL under Ryan Moore.

She won this one last year and two wins followed at Newmarket.

Her seasonal debut at Newbury saw her beaten by fellow joint-favourite Night Of Thunder but it was one hell of a finish and there was only a length between four main protagonists at the line.

The Prince Of Wales's is in the pocket of THE GREY GATSBY. Jamie Spencer rides the four-year-old for Kevin Ryan and he is out in front on every form of rating.

He was a disappointment when a beaten 11/10 fav in the Tattersalls

TIP: Dettori

Gold Cup at The Curragh last month but he just found himself outpaced at a crucial stage.

Ascot should play more to its strength. It's a tougher finish to give him time to get home.

Surprisingly he hasn't raced at the Royal track but he has won twice and been second at York and, while it races the other way round, York form tends to hold true at Ascot.

It's a truly international field with six of the 10 starters brought from off these shores and the principal danger is one of them, Criterion all the way from Down Under from David Hayes' talented yard.

Oh the dear old Royal Hunt Cup (5.00). The bookies must have been up at dawn flicking through the holiday brochures.

Last year's 20/1 winner Field Of Dream is back for more along with 29 rivals and three reserves making it one of the toughest handicap puzzles to solve all season.

You have to respect Jamie Osborne's runner.

He is only 6lb higher than when beating Chill The Kite, who reopposes, by a comfortable length and a quarter 12 months ago.

But the negative is he has never previously gone well fresh and it is 326 days since he last saw a racecourse.

So go for that man Dettori, a rejuvenated figure this term, again and AYAAR.

That wily Italian Luca Cumani looks to have a plot horse on his hands. His form last season was hardly inspiring but he was damned impressive putting 21 others to the sword in the Newbury Spring Cup.

The closer is the listed fillies' Sandringham Handicap (5.35).

You know what the old adage is... always side with fillies in form and unbeaten ALWAYS SMILE sure fits that bill.

STOUTE BET: Integral has strong claims in the Duke Of Cambridge

WINNER: O'Brien

Eagles the best for Aidan

DAY ONE ACTION

TRAINER Aidan O'Brien declared that Gleneagles was the best miler he has ever trained after he won him a SEVENTH St James's Palace Stakes.

It looked like it could not be easier for Aidan O'Brien's potential superstar.

This victory made it a record of six wins out of seven...and he was disqualified in the other.

Consort was taking a big step up in class following a Listed-race victory at Sandown last month.

But Frankie Dettori showed no fear as he was sent straight to the lead, closely pursued by Andre Fabre's French 2,000 Guineas winner Make Believe.

Ryan Moore positioned Gleneagles in fourth place before asking him to close down the leaders early in the straight and the response was emphatic.

The son of Galileo showed thrilling acceleration to pick up Consort and he passed the post two and a half lengths clear under just hand driving.

Outsider Latharnach came through to beat Consort to the runner-up spot, with Aktabantay fourth and Make Believe a long last of the five runners.

O'Brien said: "He would have to be the best miler I have ever trained."

And that's saying a lot for the man who had the great Giant's Causeway and Rock Of Gibraltar.

Moore added: "He's got a very good turn of foot."

"It was a muddling race, a bit messy early and Frankie got his own way in front but he made up three lengths there."

"He's just a pleasure to ride and I think he's getting better."

"He wasn't stopping there, I wasn't getting serious with him, it was hands and heels, I was delighted with him."

"He's a proper horse, you want to ride the best horses and he's about the best of his generation."

"He could get a little further but he has plenty of pace and there's no real need, I'm sure plans will be made later on."

Part-owner Michael Tabor said: "He's just done everything we hoped he would, won every once bar one and got disqualified at Longchamp, but he's special."

CHARLIE MCCANN

WITH HIS LONG ODDS AND ENDS

BIG PRICE:
22/1 Rickie
Fowler

Get in quickie to back Rickie

THE 115th US Open starts on Thursday and it is fair to say that players' opinion has been divided.

It might be best summed up by former Masters' winner Charl Schwartzel, who suggested: "I think it's a course that involves a hell of a lot of luck."

There is a traditional links feel to the course no water and only one tree on the course but there are huge undulating greens and it is likely that the best putter will win the event.

Majors

Rory McIlroy is the 15/2 joint favourite at BetVictor with Masters Champion Jordan Spieth and the latter is, arguably, the best putter in the world at present.

Rickie Fowler (22/1 BetVictor) gets the vote; since the 2014 Masters he has finished in the top 15 in all five Majors and all four WGC events.

BetVictor are paying a quarter of the odds six places and, granted the luck that Schwartzel suggests the winner will need, the recent

FOWLER'S MY US OPEN CHOICE

Players' Champion must go close.

Day two of Royal Ascot and the feature event is the Group One Prince Of Wales's Stakes and I am a big Free Eagle (4.20) fan and I hope the lightly-raced Irish raider will appreciate the forecast fast ground.

The selection (11/4 at BetVictor) finished third on ground softer than ideal in the Champion Stakes last autumn and this race was identified as the early season target in the aftermath.

Last year's Kentucky Derby and Preakness Stakes winner California Chrome misses the race but there is still a strong international challenge from France, Japan and Australia and Gallic raider Ectot is the one who might give the Dermot Weld runner most to think about.

Ectot failed to sparkle in the

Arc when last seen on the track but his win in the Prix Niel last September on fast ground was gained in a very fast time and this has long been his target.

Her Majesty the Queen is double-handed in the finale the Sandringham Handicap and of the two Touchline is the filly that interests me most but my two against the field are Mothers Finest (12/10) and Risen Sun (5.30) with marginal preference for the latter who ran well against a decent older horse at Leicester in her reappearance.

Feature

At 10/1 with BetVictor she is capable of rewarding each-way support.

On Thursday the Gold Cup is the feature event and Mizouz (9/2 at BetVictor) has long been my recommendation for

the race. Four-year-olds have won the race for the last three years and the selection ran out a ready winner of the Sagaro Stakes on his reappearance on similar ground to he will encounter on Thursday.

I nominated the King George V Stakes for Dissolution (5.35) as soon as the colt finished runner up to Time Test (runs 3.05) at Newbury on his reappearance and whilst a 6lb rise for that effort looks punitive he looks sure to appreciate the step up in trip to twelve furlongs and Ryan Moore takes the ride for Sir Michael Stoute.

The pair teamed up with 11/2 favourite Colony in this corresponding race in 2008 and I am hoping for around 8/1 although the layers, at the time of writing, had not yet priced the race up.

COCKY:
Lehmann

COPYCAT 'POMS TO COP IT'

CRICKET

AUSTRALIA coach Darren Lehmann says England are just trying to copy his team.

And his star batsman Steve Smith reckons the Three Lions will get another Ashes spanking next month.

The Aussies have just brushed aside with ease the same West Indies team that drew with Alastair Cook's side.

Lehmann poked fun at "dour" England when the sides last met. And he's happy that the series will at least be more entertaining this time around.

The home side have an Aussie coach now in Trevor Bayliss and he should toughen up the players who folded so tamely in the Windies.

Lehmann said: "They'll probably play a bit like we play I think."

Exciting

"That's what they're trying to do, so it's going to be on for young and old. It's going to be entertaining for everyone and it's going to be an exciting series."

"They're going to be tough over there as we know and if they're going to play that way it's going to be the team that handles that pressure the best."

"From our point of view this is a great lead-in to that tour and now it's about getting prepared for the Ashes."

"They've got some things they're trying to work on and Trevor Bayliss will have them getting the way they want to play and he has got to do that pretty quickly."

Smith has just hit the top of the batting world rankings and doesn't see anything to worry about in England's bowling attack.

Aussie legend Glenn McGrath used to famously predict a 5-0 win whenever the sides met — he was usually right — and Smith has taken a leaf out of his book.

He roared: "I can't wait to get over there and play another Ashes against England in their conditions after beating them so convincingly in Australia."

"It's going to be nice to go in their backyard. If we continue to play the way we have been playing over the last 12-18 months, I don't think that they'll come close to us to be honest."

PALS ACT: Rosicky

Rosicky wants Cech at Arsenal

TOMAS Rosicky has had his Czech book out and wants international team-mate Petr Cech to sign it and join him at the Emirates.

The Arsenal midfielder has been on the blower to his Chelsea goalie pal and confirmed Cech is on the way out of the Stamford Bridge exit.

But his desire to bring his buddy to the Gooners could be highjacked by a massive £39m transfer and wages bid for the crash-helmeted one from Paris St Germain.

Cech has had a season-long hump over losing his place to the Belgian international Thibaut Courtois and wants out.

As well as those two clubs, Manchester United are also keen with their own goalkeeping situation in the balance.

When asked if he had talked to Cech about his situation, the Gunners midfielder said: "I would be lying if I said I didn't speak about it with Petr because it's no secret he wants to change clubs."

"He will have a lot of options to go to a good club."

Finisher

But Rosicky's midfield comrade Santi Cazorla says Arsenal's priority must be a finisher.

Olivier Giroud was Arsene Wenger's leading man last term, scoring 19 goals in 36 games while Danny Welbeck (eight in 37) and Theo Walcott (seven in 22) also filled the central role when asked to chip in.

However, Welbeck and Walcott were more commonly used out on the wing and Cazorla thinks the Gunners need another out-and-out striker.

"It's a tough decision and it's down to Mr Wenger to make these decisions," said Cazorla.

"My only hope is that whoever is chosen will be somebody who can pump up the level of the team."

"When it comes to a position or who in particular we might need somebody in Theo Walcott's area."

He's not necessarily a true, true striker so we might need somebody in his area."

Although Cazorla thinks Arsenal need to strengthen up front, he believes that the squad need to work on their defence too.

"One of the key areas we have to focus on next season is to be a very strong defensive team," said the Spaniard.

CHAMPS' STOPPER WANTS SPANISH SWITCH

SHOCK MOVE: Courtois fancies beating David De Gea to Real Madrid

Real Court Thibo

CHELSEA GOALIE OUT TO SCUPPER DE GEA MOVE

CHAMPS Chelsea face a summer keeper crisis with Thibaut Courtois angling for a trip to the sun.

The Belgian has grown jealous of Man United's David De Gea's potential move to Real Madrid — and he wants to beat him to the Bernabeu.

With stand-in stopper Petr Cech looking at more options than a King's Cross brass that would leave the Blues short in the nets.

Courtois knows Spain having spent three seasons on loan at Atletico.

He has let it be known he fancies a stint at Real but if

By TREVOR CLEMENTS

De Gea beats him to the leap he would have missed his chance.

Courtois is only 23 and signed a five-year Bridge deal just last September.

But everybody knows that footballers' contracts are as precious as bog roll and if the big lad wants a move he will engineer one.

His problem in courting Real is that De Gea has secured pole position.

He's not daft enough to pursue a move personally but it's no secret his agent is talking to new boss Rafa Benitez. Chelsea are well aware what is going on and

have slapped a £73million price tag on Brussels' favourite sprout. Come on lads, £73m for a goalie? Bet you'd take half of that.

The straw Courtois clings to is that De Gea's wages cost United £200,000 a week at the moment which, be fair, makes you happier than a kick up the bum with a wrinkle picker.

Chelsea's bloke is thought to be on about 50 grand less and he could leave Chelsea in a sticky situation.

Never has the goalkeeping merry-go-round appeared so exciting.

If Real sign either of the Premier League guys it frees up Iker Casillas who is nobody's mug but has no

chance of teaming up again with Mourinho. They hate each other and put the pain in Spain.

So maybe Cech could be persuaded to stay.

If De Gea is the man left standing in the check-in queue, there's no reason why Victor Valdez, United number two, should not step up. He's quality.

But Louis Van Gaal will be on the lookout for a top replacement which might lure Hugo Lloris from Spurs.

Meanwhile one geezer quids in is Mourinho.

He is on the brink of a new £7.5m-a-year deal with the Blues even though he is midway through his four-year contract. His title last

year was his third at the Bridge and he has won the heart of Roman Abramovich anew by investing time and energy in Chelsea's youth academy.

Not only to they have Russian riches to spend, they have a stream of young bucks coming through.

Mourinho was as taciturn as ever on the matter. He said: "I don't need a contract."

"I want to stay, I don't want to leave. I am not asking for a better contract."

"If Roman wants me to stay, I'm staying. When he wants me to leave, I leave. A 10-year contract is not important."

But he wouldn't turn one down, though.

SERGIO LAUGHS OFF UNITED LINK

By JOHN ANTHONY

SERGIO Aguero has laughed off reports that he is a Man United target, saying he's a City man for "many more years".

There was talk in the gutter press that Louis Van Gaal was getting ready to make a shock move to bring the Argie striker across Manchester.

He was backed up by United legend Andy Cole who suggested that buying Aguero would bring the league title back to Old Trafford.

But any talk of a move has gone down like a cup of cold spew with the man himself.

He reassured City fans, saying:

"The truth is I'm very happy at the club."

"I'm enjoying these four years that I've had at City and there are still many more years to come. I'm very happy."

City got a massive bargain when they shelled out £38m for Aguero in 2011.

He fired in 31 goals last season and the Blues said their hitman was "priceless" when talk of the United move first materialised.

But while Aguero says he's a happy man, he would like more

from City on the pitch and in the transfer market.

They again failed to defend the Premier League title, falling meekly aside to Chelsea.

He's been particularly annoyed by the fact that the club have flopped in the Champions League.

Mind you, getting knocked out by Barcelona is nothing to be ashamed of.

But it's clear that the Qatari owners of the club are desperate to get their hands on Europe's most prestigious trophy in the next couple of years.

They have backed under-fire manager Manuel Pellegrini and

are willing to pay massive transfer fees themselves this summer now that the Uefa financial fair play rules have bitten the dust.

That is an ambition that Aguero shares with the club's bigwigs as he looks forward to new faces at pre-season training.

He added: "Every year City try to improve the team and while I don't know how it will be next season obviously the club always wants us to win titles."

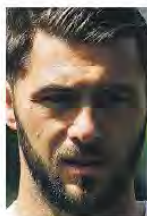

"City are prepared to win titles every year. The Champions League is a great competition and City are doing everything to win it."

ZON'S GONE

WANTED: Austin

Jose set to join race for Austin

CHELSEA main man Jose Mourinho is happy to look a proper Charlie.

Charlie Austin, that is. The doomed QPR's front forward is too good for Championship football and The Special One senses something special.

With United misfit Radamel Falcao more or less in the bag, Didier Drogba on his pedals, and an impressive supporting cast which includes the wonderful Eden Hazard and Diego Costa in the wings, the Hoops Austin could be the last piece in the jigsaw for a back-to-back title bid.

It also looks as though last season's back-up man Loic Remy will be out of the door soon too.

The former Reading player, the guy who went from non-league to international, floats many manager's boats.

In a team that wasn't fit for purpose he still managed to whack in 18 goals last season and frankly carried most of the other 10 on his back.

It's quite a way from his local Hungerford Town to Chelsea. Hang on, it's not actually.

Target

But they can deliver Champions League football immediately. Something neither of his other three suitors, Liverpool, Tottenham Hotspur and Newcastle United can deliver.

Austin, while valued at the Bridge, was not Mourinho's first target.

He wanted Inter Milan's Mauro Icardi first but he has just signed a new deal to stay at the San Siro.

The fact Austin is a homegrown player adds to his appeal for Chelsea.

The 25-year-old was called up to the England squad for the first time in their games against Republic of Ireland on June 7 and Slovenia last weekend.

Austin faces a dilemma though. Chelsea can offer considerably more than his current £28,000-a-week contract, chicken feed in the Champions League clubs.

But will he be consigned to the bench?

Especially with England set to qualify for Euro 2016.

Costa will be the first name on the team sheet once again, while Mourinho's determination to get the best out of Falcao means he will be the main back-up.

Austin would be the icing on the cake.

GIZZA MOVE: N'Zonzi is looking up the league for his next club

Stoke face battle to keep star man

By MIKE MURRAY

STOKE City face a hellish catfight to hang on to stellar midfielder Steven N'Zonzi after his contract talks at the Britannia turned sour.

The sharks are circling and Liverpool, Arsenal and Tottenham Hotspur are all sniffing blood.

Last week Mark Hughes' side insisted they were confident of keeping him.

But it hasn't happened and with only 12 months left on N'Zonzi's contract they are faced with the ever-painful football problem. Sell now or lose their asset on a free.

Hughes did a fantastic job steering Stoke into a highly-respectable ninth last time out and the invariable first name on his team-sheet was N'Zonzi.

The 26-year-old has expressed his desire to play in the Champions League which, for now would make the Gunners favourites for his monicker.

To be fair, N'Zonzi has not directly come out to state that he will look to leave Stoke, yet a move away from the club to match his personal ambitions seems more or less certain. Stoke would be devastated to lose the player.

Hughes has made no secret of his desire to take from City from respectability to a place in Europe. N'Zonzi's rise has been meteoric. He has dual citizenship through the Congo and France and has yet to nail his colours to either full-international mast.

He began his career with Ligue 2 side Amiens SC impressing enough to earn a move to English Premier League side Blackburn in 2009 for a pick-pocket £500,000.

He spent three years at Ewood Park which ended with Rovers being relegated at the end of the 2011-12 season. N'Zonzi was too

good for the drop of a level and joined Stoke City for £3m. Last season he was handed the Player of the Year award at the Britannia.

He has represented France but only at under-21 stage and has been called up into the Democratic Republic of the Congo national football team but has yet to play a full international game.

His qualities are as a rock-solid holding midfielder which might put the Anfield mob out of the frame. They have just signed James Milner and the pair could prove too similar.

But both the Gunners and Spurs are fragile in that dimension and he could fit in at either side.

Stoke already seem to be lining up a consolation prize for the fans with Hanover striker Joselu turning up at the club's Clayton Wood training ground yesterday.

The 25-year-old Spaniard was locked in contract talks with the Britannia board.

He will cost City 10m euros which represents Hughes' biggest spending spree at the Club.

He never quite made the first team at Real Madrid although he did score in only two full appearances at the Bernabeu.

His career later enjoyed more success in Germany's Bundesliga after leaving Spain to join Hoffenheim.

He played on loan at Eintracht Frankfurt in 2013/14 and then moved to Hanover 12 months ago just as Mame Diouf was packing his bags for Stoke.

He bagged eight goals in 30 appearances for Hanover last season and now, it seems, the pair will link up in Stoke's colours next season.

BILIC GOING DUTCH AT HAMMERS

By PETE BAILEY

SLAVEN Bilic has set out his stall to deliver the West Ham faithful the sort of football that they crave.

And he'll take a leaf out of the Dutch book of total football to do it.

The new Hammers manager was in back in Croatia yesterday after a flying visit to London at the weekend.

He coughed to being "very excited" by his new job at the Boleyn.

Like everybody else the Hammers have thrown their hat into the ring for QPR's Charlie Austin who could change hands for as little as

£15million, although that figure is rising with all the added interest.

Bilic said: "I like to play total football which is also the West Ham way."

"You can't just rely on that because these days you need solidity at the back. You can't just be a one-sided team."

"My mission is to deliver a side which is hard at the back but attacks in numbers."

"The important thing is I want us to have the ball. If we have possession only one team can score."

"It is easy to talk now but

the philosophy is that we want to be solid but I want to have the ball and possession. I love the ball and have done with all the teams I have managed so far."

"My hometown team, Hajduk Split, had the aim to win the league every year. The Croatian national team was in the top 10 in the FIFA rankings for six years and were expected to win every game, whether it was against Germany, England or Andorra."

"I watch football avidly and saw a lot of West Ham last year."

"They impressed in the

first half of the season. I was impressed by the quality of the players and I have been promised I can add to the squad."

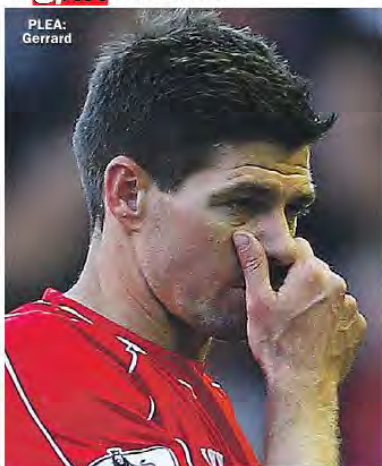

"But I also spotted a lot of areas I feel sure I can improve. That's between me, the players and the coaching staff, the owners and me for the last say once more."

"But when you start looking for West Ham in the league table next season, start at the top, not the bottom. It will save you time."

"I am enormously optimistic that the food laid before me will provide a feast."

GIVE INGS TIME SAYS STEVIE G

STEVEN Gerrard has told the Kop to be patient with new striker Danny Ings.

The departing Reds skipper says he's delighted with the signing and thinks the former Burnley man will be a major success at Anfield — eventually.

He says it will be a difficult transition from Turf Moor to Liverpool and it would be exception if Ings was able to find his best form straight away.

By ANDY MILLOM

He signs on July 1 on the back of a good season with the Claretts where he managed to score 11 goals despite the team going down.

Gerrard reminds the Anfield faithful that Ings is only 22 and has had just one season in the top flight.

They shouldn't expect him to come in and hit the ground running like Luis Suarez and Fernando Torres in recent seasons.

Gerrard said: "The Ings signing I'm really excited about because he can be what he wants to be - I know the talent's there, he's very young, he's fresh."

"I think if he carries on learning and developing he can become a top striker and we love top strikers, so the stage is there and I wish him the best of luck and I'm looking forward to watching him play."

"For me, the supporters

just need to be patient with him, he's still very young and I'm sure he'll get eased in gently by the management.

"He might be the type of player that needs that bigger club and does thrive on the pressure."

"He's certainly got the platform there at one of the best clubs in the world to showcase his talents."

"Hopefully he can get some goals early on which will give him the confidence that'll make him feel like he belongs there."

Gerrard has moved to LA Galaxy in the US league but faces a challenge as the team have made a slow start to the season and look to be out of contention for the major honours.

Mind you, he should be used to that having spent his career at Liverpool.

Clarets handed Port

THE reality of life outside the Premier League has hit home for the relegated sides with the Capital One Cup first round draw.

Burnley are at home to Port Vale, while Hull go to Accrington and QPR face the long journey to Yeovil.

At the other end of the spectrum Conference champs Barnet have a London derby at Millwall and Bristol Rovers get a home tie against Birmingham.

DUTCH MASTER WARNS OLD TRAFFORD

ALWAYS VAN UNITED

Under-fire Robin wants to play on until he hits FORTY!

By JOHN ANTHONY

ROBIN Van Persie will be dragged kicking and screaming if he has to leave Man United this summer.

The Dutch striker was a sensation in his first season at Old Trafford and almost single-handedly fired them to an unlikely title in Sir Alex Ferguson's last season in the hotseat.

After his surprise £24m move from Arsenal, he hit the target 35 times in 53 games that 2012-13 campaign where Fergie nicked another Premier League crown.

Gone were the injury prob-

lems and sulks that had marred his final couple of years in London and it looked as though RVP was going to storm into the second half of his career.

But then things started to go wrong. He wasn't the only United man who found life difficult under David Moyes but his dip in form was quite telling.

Sharp

In the 2013-14 season, Van Persie spent too much time on the treatment table as his goal return fell to 21. Still decent enough but a sharp drop from the previous season that echoed United's fall

from grace. The arrival of fellow Dutch ace Louis Van Gaal as Old Trafford boss last summer was meant to usher in a new era for both the Reds and their main goal-scorer.

While the manager has done well enough in making the club's vital return to the Champions League, he did it without much help from Robin not-so-reliant.

Van Persie struggled at times to get on the field with just 28 appearances for the Reds.

He scored just 10 times and became an increasingly sidelined figure as the season wore on. The ultimate insult came when the United

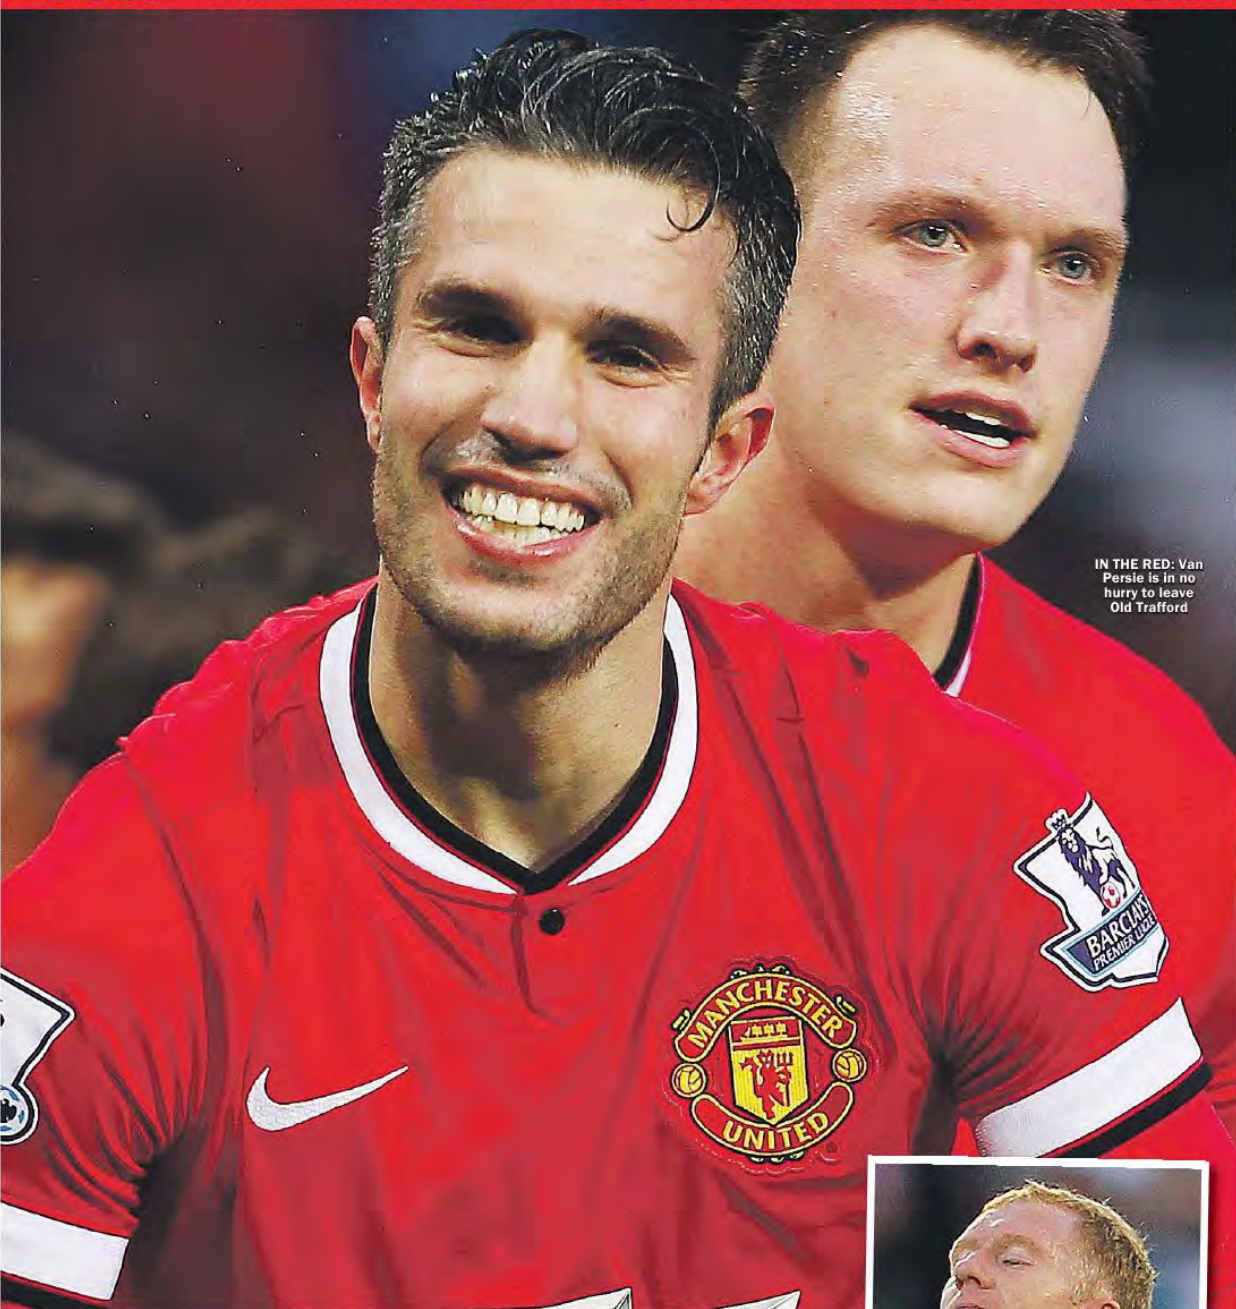

boss chose to play Marouane Fellaini as a striker, while Van Persie sat and watched from the bench, or even the stands.

That led to a universal feeling in football that Van Persie would be moving on this summer, with Juventus linked with a move as they look to replace another former United man in Carlos Tevez.

But it seems that the wages even the biggest clubs pay on the continent cannot compete with the riches on offer in the Premier League — even if you're sat getting cramp in your backside on the bench.

And Van Persie is trying

BOSS THAT HE WON'T GO OUT WITHOUT A FIGHT

IN THE RED: Van Persie is in no hurry to leave Old Trafford

his best to cement his future at Old Trafford. Rather than looking to move, he's spent this summer trying to remind his doubting manager that he can save the club millions on a new striker.

He's focused on at least seeing out the final year of his contract and wants to prove he's worth another one when that expires.

Van Persie said: "I'm totally relaxed. I have a contract with this club until 2016.

"Things could change now, but that all depends on Manchester United not me.

"Believe me, I'm relaxed - I'm not going to be part of a puppet show.

"In August I'm 32. But I still

have the ambition to play for another eight years.

"In a few years' time I may have to accept that I will no longer play at the very highest level.

I don't think that moment is coming now. I still feel very, very fit.

"Playing in the first-team is very important for me.

Sicknote

"This is why I will probably step down one level when I am 36 or 37. But not now."

And Van Persie is angered by talk that he's a sicknote who will only spend more time on the sidelines as he gets older.

He added: "Whenever I have been fit at United I was playing

in the first team all the time. People talk about my injuries, but I only had one this season that's just gone."

And he points to a United legend as a warning to him that he shouldn't retire while he has more miles left on the clock.

"I've seen too many players quit early. Most of them regret this soon after.

"I've seen those players in the national team and at my own clubs.

Even big legends have regretted their retirement. Look at Paul Scholes.

"He did quit the game but he kept training and was missing football so much, because he knew he was still capable of playing at that level."

EARLY RETIREMENT: Paul Scholes

MOVING: Mourinho

Chelsea plotting move to Wembley

CHELSEA are looking to play their home matches at Wembley - but they will have to restrict the crowd to 50,000.

The Blues might need to move out of Stamford Bridge for three seasons as the ground is extended to seat 60,000.

Space is so tight at the Bridge that it would be difficult to host games while the building work is going on.

Chelsea fancy a move to Wembley, with rugby ground Twickenham the other possibility.

Because of Brent council byelaws, there are only so many events that can be staged at the national football stadium each year.

There are only allowed to be 37 matches or concerts at full capacity - but there's no limit on how many games are held at Wembley if the gate is cut to just 50,000.

Brent was known as the loony left council in the 1980s and this seems to be right out of that era's handbook.

Derbies

After all, what's the big difference between having a match with 50,000 in and one at 65,000 which they could surely fill for London derbies and other major matches.

A Brent council spokesman confirmed: "Wembley is limited to 37 major events at its full capacity of 90,000 spectators each year, but minor events which have spectators in the bottom two tiers only and a capacity of up to 50,000, are not capped."

Chelsea have been hamstrung for several years by Stamford Bridge holding less than 42,000 spectators.

That's 33,000 smaller than Old Trafford and behind all the club's main rivals on the pitch.

Jose Mourinho's side would move back to a ground with an extra 20,000 seats and greatly increased corporate space which is a key source of matchday income.

If Wembley didn't go ahead, it's more likely that Roman Abramovich would increase the already £500m budget for the new ground and keep the side at the Bridge while the building work goes on.

That would reduce the capacity to 30,000 so isn't the favoured option.

There are no legal reasons why Twickenham could not be used but the posh local residents are up in arms at the idea.

£70M TARGET DOESN'T FANCY MANC RETURN

POG OFF!

Paul tells City he's going to Barcelona

TARGET: City and Barca are among the teams chasing Paul Pogba this summer

MANCHESTER City look set to miss out on their number one target Paul Pogba.

The Juventus midfielder has his heart set on a dream move to Barcelona — no matter what wages the Premier League giants offer. They were looking to break the bank and pay as much as £70m for the former Man United schemer.

And Pogba has already had talks with the man who hopes to take over as Barcelona president this summer.

In Spain, the fans elect the person who runs the club and

By JOHN ANTHONY

to win, you need to promise a spectacular signing.

Barca have just lost Xavi and, with Andres Iniesta hitting the veteran stage, Agusti Benedito says the 22-year-old is just what the club needs to stay one step ahead of deadly rivals Real Madrid.

He already claims to have agreed a £65m transfer fee with Juventus and is now thrashing out wages with Pogba's agent.

Benedito said: "I have made contact with Pogba. 'First I spoke with Andrea

Agnelli and then personally with the player.

"We were asked for 12 million euros net per season in wages and a transfer fee of 80 million euros."

The one spanner in the works is the fact that Barca are banned from buying any new players until January because of their transfer ban.

But it looks like Pogba will be heading somewhere either this summer or when the Catalans can buy again.

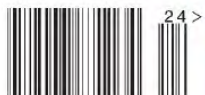

Juventus head coach Massimiliano Allegri admits he will struggle to keep hold of his prize asset.

He said: "A Pogba transfer?

Obviously it would be a decision made by the club and not by the technical team.

"When you talk about certain figures, it's difficult to say no."

"But if Paul remains in Turin, he should do it with the right mentality and without having any regrets."
